We have an exciting and busy programme taking place during the Summer holidays!

You will find all the information that you need within these pages!

We have six components to our programme this year.

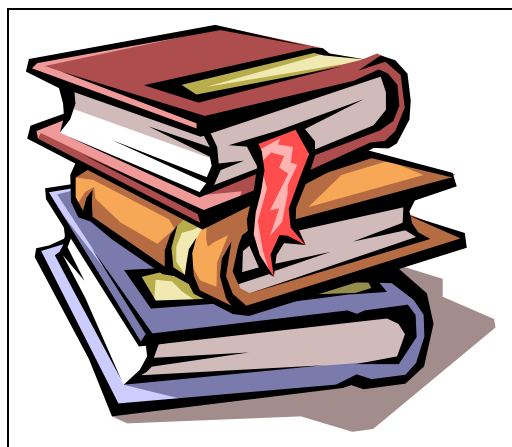

Look out for our exciting **Literacy Adventure Days** and our fun **“Study Skills” and “Speaking Successfully” Courses**. All are opportunities not to be missed!

As you realise, the long Summer holiday is a valuable time to make considerable headway with schoolwork. Children's minds are fresher and this period offers an excellent opportunity for advancement, particularly if there are exams ahead. We are therefore also offering our usual programme of individual and group lessons and the popular “Learn by Post” Correspondence Course.

So browse through these pages. Contact me if you would like advice and suitable sessions for your children....

Individual and Group sessions should be booked directly with us. Please also contact us directly if you would like to participate in “Learn by Post”. Other courses should be booked through the application form at the back of the brochure. All places will be confirmed.

Remember, too, that we are always oversubscribed, so book early!

Summer correspondence Courses

Many of you may be away from London for much of the Summer holiday but wish your child to maintain a reasonable level of work during this period.

Some of you may be unaware that I run five postal schemes for this very purpose, throughout the Summer.

1. LEARN BY POST- Year 3
2. LEARN BY POST- Year 4
3. LEARN BY POST- Year 5
4. LEARN BY POST- Year 6 and approaching Senior School
5. LEARN BY POST- Key Stage One

The course of work is tailored to the individual needs of your child and operates in a similar way to a correspondence course. The children always enjoy the fun of receiving a new envelope addressed to themselves and returning their work.

Previous participants have found that this is an excellent way of providing incentive for maintaining a regular amount of work throughout the Summer break.

The scheme is also open to siblings or friends who do not normally come for lessons with me.

Please telephone me or send an e-mail or fax for further details or simply fill in the form at the back of the brochure.

Fee is £25 per pack which includes materials, postage and packing.

In order to take full advantage of the scheme, it is recommended that 2 or more packs should be taken.

(N.B. Closing date for bookings will be Friday 18th June.)
